

17th November 2020

To all parents and carers,

Thank you for all the parents that expressed an interest in purchasing our book 'The School at the End of the Rainbow', back in October. It is now in production and so the time has come to complete your order and make payment.

The book is on sale for **£10**, which includes a small profit to support our school in Ghana, as we couldn't do as much fundraising last year.

Priority will be given to families that pre-ordered the book, but if you missed the deadline, we have ordered extra copies if you would like one.

Please complete the attached form and return to school by **Monday 30th November 2020**. Payment can be made through ParentPay.

Many thanks for your support.

Kind regards,

Acting Headteacher
